FREE LIVE WEBINAR

IBCLC REQUIREMENTS & PATHWAYS EXPLAINED IN DETAIL

HANNAH HALLIWELL, IBCLC

Always wanted to become a lactation consultant? Having trouble finding your way? This live webinar is a deep dive into the requirements and pathways to becoming an IBCLC.

Registration: <http://bit.ly/becominganibclc>

OBJECTIVES

1. Define the basic requirements for IBCLC exam eligibility
2. Differentiate between the IBCLC pathways (and figure out which pathway might be right for you!)
3. Identify where to find the most updated information about IBCLC eligibility
4. Determine the fastest, cheapest way to complete the required health sciences
5. Understand options for obtaining required clinical hours
6. Identify your local resources and where to find continued support in your journey
